Sir:

The applicants request that the materials submitted in response to the Requirement for Information in the above-identified application be returned to their undersigned attorney. The application is allowed, and the issue fee is due on April 9, 2007.

Information in response to a Requirement for Information was submitted with the Amendment of March 20, 2006, in a separate envelope filed under seal pursuant to M.P.E.P. § 724.02. The Response included a Petition to Expunge the Response to Requirement for Information and the proprietary materials enclosed therewith, under 37 C.F.R. § 1.59(b) and M.P.E.P. § 724.05. The Petition was accompanied by a check for \$200 to cover the fee for the Petition under 37 C.F.R. § 1.17(g). A Renewed Petition to Expunge was submitted on November 21, 2006.

MAR 12 2007

To date, no decision has been made on the original Petition to Expunge or the Renewed Petition to Expunge.

The applicants agreed in both Petitions, and agree again here, to retain for the life of any patent issuing on the present application the information that the Petitions requested be expunged.

The Examiner has confirmed that none of the information submitted with the Response to Requirement for Information "is important to a reasonable examiner in deciding whether to allow the application to issue as a patent." See Notice of Allowance dated January 8, 2007.

The applicants therefore request that the Petitions to Expunge be granted and that the materials submitted under seal, namely the Response to Requirement for Information dated March 30, 2006, and the materials submitted therewith, be returned to their undersigned attorney.

Any fees associated with this Request should be charged to Deposit Account No. 50-0409.

The applicants' undersigned attorney may be reached by telephone at (609) 921-8660. All correspondence should be directed to the below listed address.

Respectfully submitted,

Attorney for Applicants
